And the honorable Prof Hadi Susilo Arifin as the moderator for the invited speaker session. Terima kasih Prof Hadi.

And the honorable Dr. Siti Nurisjah, the President of Indonesia Society of Landscape Architect (ISLA or IALI). Thank you Bu Is for being able to join our symposium.

Ladies and Gentlemen,

As the chairman of the 3rd ISSLD, I would like to welcome you to our symposium at IPB International Convention Centre (IICC). We also want to thank to organizing committee which is organized by Department of Landscape Architecture and Directorate of Research and Innovation IPB.

We also would like to give our grateful thank to our sponsor from Food Security Agency, Ministry of Agriculture, Bank BNI, EPSON, Sentul City, Wacom Grandtech Indonesia and also Viewsonic. And also supporting organization IALI and APALI. And to IOP Publisher, because all papers will be published in IOP Conference Series: Earth and Environment Sciences (SCOPUS indexed).

Ladies and Gentlemen,

The 3rd ISSLD theme is mainly focused on **Urban Resilience** for Sustainable Landscape Development, which is distributed into 3 domains as Mitigation, Sustainable and Resilience. We have received more than 90 abstracts, and we have arranged 45 papers for oral presentation and the rest for poster presentation. Among them are coming from various countries, from more than 5 countries (Malaysia, Japan, Australia, Singapore, Philippines, Korea...) and more than 20 institutions. Right

now, the registration desk, in this room, has gathered more than 120 persons in this room. Amazing...

As for your information too, tomorrow we are going to have a field excursion for FREE. All participant can join our excursion start from 7 AM in the morning and finish at 5 PM in evening. For those who are interested to join our excursion, please write down your name in the registration desk. We have provided 2 buses (coaches) for tomorrow excursion. We will start the interpretation from organic settlement until well developed urban area.

Ladies and Gentlemen,

As concluding remarks, we really hope all of you are being able to enjoy this symposium, I am ensure you to receive a convenience symposium. I am really hope all of us are going to enjoy our great symposium in particularly for academic, businessman, government, community and also mass media, what we call as ABGCM collaboration, we defined it as Pentahelix Collaboration.

Ladies and Gentlemen,

Lastly for the best, I would like to give my gratitude for all the hard work from our organizing committee, for those who are wearing same clothes with me, I would like to say thank you thank you and thank you. Please put our hand together to thank the organizing committee.

Regards,

Chairman of The 3rd ISSLD 2017

Kaswanto
